

Colour Placement Guide

Winter's Love Mosaic CAL

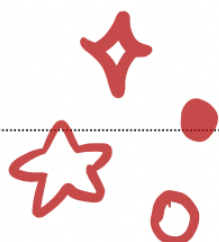

Pattern by Ana Morais Soares – [available on Ravelry](#)

Yarnsmiths Create DK – 100 g / 290 m

Colour A	3045 – Off White	4 balls
Colour B	3090 – Claret Red	6 balls

Please note: to ensure my colour placement works, I omitted row 3 – a row of single crochet – from pattern 9.

After completing pattern 11, I worked an additional row of single crochet in Colour A. This was simply to create a better contrast for working the slip stitch round.

Colour Placement Guide
